

INTERCHURCH
FOOD PANTRY
OF JOHNSON COUNTY

Pantry Sponsorship Program

Join the Fight Against Hunger.

In tough, unpredictable times, more Johnson County families are turning to the Interchurch Food Pantry for help than ever before. Many of our neighbors are working hard, yet still struggling to put food on the table. We're a steady hand for neighbors in need.

Right now, one in eight Hoosiers faces hunger and one in seven children in Indiana doesn't know where their next meal will come from. Behind these numbers are local families – employees, customers, and friends – who need a helping hand.

Our 100% volunteer team provides healthy food and hope to over a thousand households each week. We are blessed to serve as a reliable safety net for our community, but we cannot do it alone.

Join us and lend a helping hand.

Your local support makes a difference. You can help strengthen our community and ensure no neighbor faces hunger alone. Join us as we help our neighbors and strive to alleviate hunger in our community.
